2017 TERM DATES

Term 3 24 July – 29 September

Term 4 16 October – 20 December

KEEPING OURSELVES SAFE

Over the next few weeks Constable Peter Marks and classroom teachers will be teaching the Keeping Ourselves Safe programme.

Keeping Ourselves Safe has been designed to give students the skills to cope in situations involving abuse. It has three overall aims:

- To develop and strengthen children's skills to keep them safe with other people.
- To support and encourage abused children to get help from caring adults.
- To make teachers and parents/caregivers more aware of the need to keep children safe from abuse by adults or other children.

Your child will have a Home Book Activities to work on with you. It is important that you participate as much as possible and talk to your child about what they have been learning. This will help reinforce the messages the school is giving, and help your child to use his or her new skills with confidence.

Please contact the school if you would like any more information about the programme or about child abuse.
