20 September	Year 7-8 Technology at the high school
25 September	School Show- matinee
26 September	School Show- evening performance
28 September	End of term 3

PRINCIPAL'S MESSAGE

It was really nice yesterday when we were up on the mountain getting our ski rentals, to have one of the staff members come to me and say what a nice group of kids we have. He had noticed us over our four visits and appreciated how well the kids managed themselves, and helped each other while they were getting their boots fitted and skis sorted. It is nice to get this kind of random feedback; it reinforces the effort we all put into teaching the children social skills, those basics like manners, helping each other, taking turns, how to cope when things don't go well the first time, and asking for help when you need it.

LOST PROPERTY.

Please come and check the lost property basket. Lots of uniform items in there!

CLASSROOM KORERO - Middle Class

Boom! For the last two weeks we have been training hard doing skiing and cross country. Cross country is an extremely fun exercise and gets you very fit. We are looking forward to cross country at the domain in one week! Skiing is very fun too, but last week was unlike the others. Hopefully we go twice this week.

Lately we have been doing kia kaha, which means be strong. For Kia Kaha we have been making shields, waka and spot the differences. This teaches us that we are all in the same boat and how we must work together to go forwards.

We are now using our persuasive writing to 'sell' a skateboard that parents would want to buy. Unlike an ordinary skateboard it has a remote control.

That's all I have, until next time, Toby Collier

OWHANGO AND KAITIEKE SCHOOL CROSS COUNTRY

This will be held at the Owhango Domain on **Monday 3rd September from 11:00am**. No postponement day, we run this event in rain or shine.

All willing helpers will be appreciated on the day! If it is wet on the day we recommend the children bring:

- A change of old clothes as they will probably get splashed with mud.
- An old towel
- Comfortable running shoes (they can run in bare feet if they prefer)
- A warm jacket (to keep warm after their run)
- A full water bottle

SCHOLASTIC ISSUE 6

Issue 6 orders to be back to the office before Friday 14th September please or order online at bookclub.scholastic.co.nz

SKI DAY FOUR - report

After postponing the Friday trip due to blizzard conditions, we went up on Monday in beautiful, sunny, windless weather. It was a really crowded day as the North Island Primary Championships were also on, so we were lucky to get into the car park before they were full and the road was closed. Our lessons started at 9:30 which was perfect as it meant the kids could get to the front of the rather large queues on the lower lifts and

I think this is...(left to right) Jack Owen, Lewis Wheeler, Cody Bryan, Finn Bryan, Toby Collier and Kaylib Smith!

get maximum ski time. In the afternoon they skied in groups of about 4 or 5. The weather and snow conditions meant we were able to take a lot of the kids to the West Ridge Quad for the first time, and explore the terrain over there. This groups I skied with were showing increased skill and confidence. One child said proudly at the end of the day how he could now go down the waterfall express run without falling over!

Wow What a VIEW! Branna Goodwin, Nikki O'Donnell, Millie Frampton and Lilly Bryant

TOMORROW'S DAFFODIL DAY - YELLOW DAY

a reminder - Tomorrow we will observe daffodil day. We will have silk daffodils or stickers available for a gold coin donation for the cancer society. The children can also come to school wearing yellow

OWHANGO MARKET

On this Sunday 2nd September at the Owhango Hall. 9am -1pm. Sausage sizzle, stalls, and kitchen serving coffee and scones. Something for everyone.

SANDPIT TOYS REQUEST

The sandpit is a very popular play area at lunchtime and playtime. Recently the kids playing in there asked if we could get some more sandpit toys. Does anyone out there have any toys that they would be happy to donate to our school that would be suitable for a sandpit?

PERPETUAL MOTION MACHINE

Many of the children have been fascinated by our 'perpetual motion machine' in the staffroom. Many have worked to adjust the magnets on it to try and meet the challenge of making it move continuously.

Millie Frampton and the perpetual motion machine.

PTA HOT SCHOOL LUNCHES- a reminder

We are again offering our popular hot lunches in this winter term, on Mondays, as a fundraiser for the PTA. Many thanks to the volunteers who are making this happen. They would love offers of help. Please bring your orders with the correct amount of money if you can on Monday.

- Pie \$3
- Hot dog \$4
- Sausage roll \$3
- Milo \$1 (bring your own named cup)

Many thanks for your support with this.

OWHANGO RESIDENTS & RATEPAYERS SOC.
