PRINCIPAL'S MESSAGE

It was lovely walking around in the sun, on duty, yesterday at lunchtime. I was impressed with how nicely the children were playing with each other in a wide variety of activities. So I took several photos to include in this newsletter to give a feel for our lunchtime playing...

CLASSROOM KORERO -The junior room

In maths we have been looking at statistics. The children have become quite adept at reading and constructing a variety of graphs. In their last session they explored venn diagrams. From this data I can report that the junior room prefers panda bears over grizzly bears, only one child doesn't like chocolate or strawberry cakes, swimming in hot pools is preferred over cold pools, tablets are more desirable than desktop computers, most of us don't like SR22 or F16 aeroplanes and chocolate biscuits are twice as popular as gingernuts! Important stuff.

SKI DAY SIX- juniors day one

We postponed our ski day 6 on Friday due to the weather. It will now take place this Friday, with a catch up day on the following Monday. (We are running out of time with our show looming). Can any parents who have not indicated if their children are coming on this day please call into the office or email us. Thanks to all of you who

have replied promptly, it does make planning a lot easier.

TAUMARUNUI LIBRARY VISITING US

We are really pleased to announce the Taumarunui Library is bringing out a mobile library to our school starting next term. They will visit every 4 weeks to issue new books and return old books. This will greatly compliment our school library and further enhance the children's opportunities to read. To participate in this, the children need to be enrolled with the Taumarunui Library. We are sending out Membership Applications with this newsletter for those students who are not already members. Please fill in the form and return it to school asap. Next term we will inform you of their first visit date.

DUFFY BOOKS - Caught being good

This week the following children were awarded a Duffy book:

Toby Collier for managing his behaviour and work well, Libby Hoban for her enthusiasm and effort when in an acting role, Charlie Walton for his ability to act in role, Lucas Gavegan for his consistent hard work, Nikki O'Donnell for her top effort in all areas, and Jorja Higgie for being much more focused in class.

THE SCHOOL SHOW

Our show 'Reading Between The Lines' is coming along nicely. It is time to put the dates of the performances into your diary. We will be having a matinee performance on Tuesday 25th September at 11:00am. We are encouraging as many grandparents as possible to attend this matinee performance as there is always more seating available and you will get a better view! The evening performance is on Wednesday 26th September at 7:00pm. You do not need to purchase tickets as the show is free. But the PTA will be running a raffle.
