PRINCIPAL'S MESSAGE

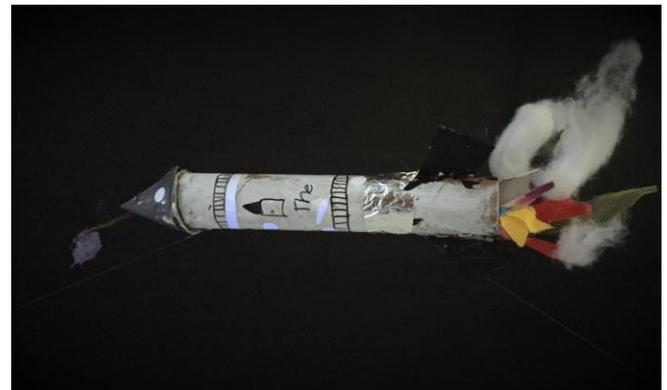

Comings and goings. We will sadly be saying goodbye to Kaylib and Cody Smith at the end of this term as they are shifting to Raglan. We also said a 'see you later' to Janette and Anouk Guillotel today as they are off on an adventure around South America and France, but will be back in the fourth term. We also have Soren and Zurich Hosking starting their schooling in the junior room at the beginning of term 2. Finally, the Board of Trustees said farewell and thank you to Tim Edhouse at our last meeting.

CLASSROOM KORERO- Junior Room

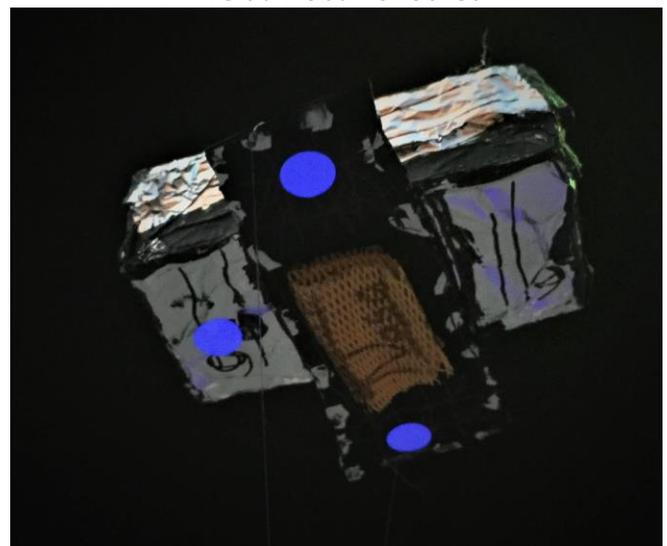

We have been making rockets, satellites and space probes in the junior room. This has involved researching images, learning how to use a compass to make a circle on cardboard, cutting the card to make it into a cone, repurposing and reshaping rubbish, gluing, painting, writing and drawing until we have a final shape and effect of a rocket, satellite or space probe. These have now been hung in the corridor for you to view. Next we will finish publishing our reports and explanations to hang on the wall in the corridor.

THANKS AND FAREWELL - TIM EDHOUSE

At last Thursday's Board of Trustees meeting we said farewell and thanks to Tim who has stepped down as chairperson and member of the BoT. He has served on the BoT for nine years, the last six

years as the chairperson. We are really grateful for his contribution to the smooth running of our school over those years.

DUFFY BOOKS ROLE MODEL ASSEMBLY

On Tuesday we had an excellent visit by our Duffy Book role model Diana Queenin. She talked about stingrays, dinosaurs, ammonites, ram's horn shells, nautilus, trilobites, geodes, crystals, fossils and horseshoe crabs. It was fascinating. She easily held the children's attention for 45 minutes. She nicely made the link between her interest to reading and her ability to get an amazing job at the Natural History Museum. Following her talk the children were presented with their two Duffy books. We really appreciate our sponsors who support the Duffy Books programme: Midwest Helicopters, DG & R Brown Contracting,

Doyle Valuations, B & C O'Donnell and Owhango Motors.

GUMBOOT FRIDAY- a reminder

Tomorrow, the school is going to participate in the I Am Hope Gumboot Friday, this Friday 5 April (sorry softball team but you will not be able to wear gumboots!). We're asking you, your teachers and parents to wear gumboots to school in support of Gumboot Friday. Put your gumboots on and bring along a gold coin donation (if you can). All funds raised on the day will help provide free counselling to kids who need it.
